- (g) Delegate to any approved live-stock association such powers as are necessary or convenient for the effectual protection, management, and improvement of the Crown range or any part thereof;
- (h) Provide for the granting of permits to cut wild or natural hay on the meadows on any Crown range and prescribe the form and conditions thereof;
- (i) Expend such public moneys for the improvement of the Crown range as may be appropriated for that purpose.

#### GRAZING PERMITS.

*Regulation No. 3.*—(1) Any person desiring to use the Crown range for grazing purposes in any year may make application to an officer of the Forest Service of the Department of Lands and Forests for a grazing permit entitling him to depasture animals thereon, subject to the provisions of the "Grazing Act" and these regulations and the terms and conditions of the grazing permit. Every person claiming priority under the provisions of section 8 of the "Grazing Act" in the granting of grazing permits shall file his application for a grazing permit with the Forest Service not later than the first day of March in each year, and shall state in the application the ground on which he claims priority.

(2) Where an application for a grazing permit is approved by an approving officer of the Forest Service, he may require the applicant to give at least ten days' notice by mail or otherwise to the nearest officer of the Forest Service before proceeding to depasture any animal on the Crown range under the permit.

When so directed by an officer of the Forest Service, the applicant or the holder of a grazing permit shall make satisfactory provision for having all his animals counted by an officer of the Forest Service either before or after they are turned out on the range, and the issuance of the grazing permit may be withheld until such provision for a count is made.

(3) Where the grazing conditions in respect of the use of any Crown range have become sufficiently settled to the satisfaction of the Minister of Lands and Forests, he may in his discretion authorize the issuance of grazing permits for terms not exceeding ten years, subject to the payment each year of grazing fees at the prescribed rates in respect of the total number of animals covered by the permit; and no reduction of fees shall be made for any decrease in the number of animals depastured by the holder of the permit, unless the decrease is occasioned by circumstances satisfactory to the Minister and the reduction is approved by him in writing. Any increase in the number of animals depastured by the holder, if approved by the Minister, may be covered by annual grazing permits or by a special permit for the balance of the term covered by the original permit.

(4) Except in the case of free or partially free grazing permits issued pursuant to section 9 of the "Grazing Act" or pursuant to Regulation No. 6 and special permits issued under clause (6) of this regulation, the holder of every grazing permit shall pay to the Minister of Lands and Forests in respect of the permit and the depasturing of animals thereunder fees at rates calculated as follows:—

- (a) The base and minimum fee for cattle shall be five cents per head per month and for sheep one and one-quarter cents per head per month;
- (b) The actual rate charged in each year shall have the same ratio to the basic fee that the average price received by producers for the immediately preceding year has to the corresponding average price for the year 1939;
- (c) The prices to be used under clause (b) shall be the yearly weighted average prices of total sales on Vancouver stockyards for cattle and sheep respectively, as the same are published in the Annual Market Review by the Marketing Service of the Department of Agriculture of the Dominion of Canada by authority of the Minister of Agriculture;
- (d) The rate for horses shall be one and one-quarter times the rate as determined above for cattle each year;
- (e) Rates shall be calculated to the nearest cent per head per month for cattle and the nearest one-quarter cent for sheep and horses;

All fees shall be payable upon the issuance of the grazing permit, and if not paid on or before the thirtieth day of November of the year in which they are payable, interest on the amount thereof at the rate of four and one-half per centum per annum from that date until paid shall be added thereto and form part of the fees payable in respect of the grazing permit; provided, however, that where grazing fees payable by any person do not exceed ten dollars for each year, no interest shall be payable in respect of such fees. No reduction or rebate in fees shall be made unless in the opinion of the Minister of Lands and Forests the holder of the permit is prevented from depasturing cattle pursuant to the permit by circumstances beyond his control, nor unless application for the reduction or rebate is made immediately after such circumstances have arisen. The foregoing fees shall not be payable in respect of animals under six months old at the time they are turned on the range which are the natural increase of animals depastured thereon in respect of which fees are payable.

(5) In co-operating with a live-stock association approved in respect of any Crown range or area pursuant to these regulations, a condition may be inserted in all grazing permits issued in respect of that range or area, whether to members of the live-stock association or to other persons, that the holder shall pay to the live-stock association all dues and assessments imposed on or demanded from the holder as a member of the live-stock association, or similar dues and assessments to those which may be imposed on or demanded by the live-stock association from its members, as the case may be, for the purpose of meeting expenditures made by the live-stock association in the protection, management, or improvement of the range or area for the common benefit of all the users thereof.

(6) Special permits may be issued by an officer of the Forest Service to authorize the driving or crossing of animals over any Crown range during such periods and subject to such conditions as are stated in the permits.

(7) Grazing permits shall be granted only for the exclusive use and benefit of the owner of the animals covered by the permit, and shall not be transferable in any manner. Every grazing permit shall be subject to cancellation where the holder has disposed of his business of live-stock raising, or has ceased to depasture animals thereunder; but where the holder has sold his animals or part of them to a person engaged in the business of live-stock raising, the holder may with the consent of the Minister of Lands and Forests surrender his permit for the purpose of procuring in substitution therefor a grazing permit in the name of the purchaser or separate grazing permits in the names of the purchaser and the former holder as the circumstances may warrant.

(8) The Minister of Lands and Forests may order the revocation of any grazing permit in whole or in part for any violation of the terms or conditions of the permit or of any provision of these regulations, or any direction or requirement given or made thereunder.

#### HAY-CUTTING PERMITS.

*Regulation No. 4.*—(1) Any person desiring to cut wild or natural hay on the meadows of any Crown range may make application to an officer of the Forest Service for a permit to cut such hay.

(2) Subject to the special regulations applicable to the Crown range, the fee chargeable for a permit to cut wild or natural hay on the meadows of any Crown range shall be calculated at the rate of not less than fifty cents and not more than one dollar per ton, at the discretion of the Minister, of the hay to be cut, and shall be payable upon the issuance of the permit.

(3) Permits to cut hay shall not be transferable and shall be granted for the exclusive use and benefit of the permittee.

#### LIVE-STOCK ASSOCIATIONS.

*Regulation No. 5.*—(1) Where a majority in number of the persons using any Crown range or area thereof have become incorporated into a live-stock association for the purpose of protecting or improving grazing ranges or live stock, upon the application of the association in a manner satisfactory to the Minister of Lands and Forests, he may by certificate in writing designate that association as an approved live-stock association in respect of the Crown range or area mentioned in the certificate; and thereafter the advisory committee of the approved association shall be consulted in the framing of special regulations for that Crown range or area.

(2) The executive officers of the approved live-stock association, or such members of the association as they may appoint, shall constitute an advisory committee for the purpose of consultation in the framing of special regula-

tions, and for co-operating with the officers of the Department of Lands and Forests in the enforcement and carrying into effect of all regulations applicable to the Crown range or area in respect of which the association was approved.

#### UNFENCED PRIVATE LANDS.

*Regulation No. 6.*—The Minister of Lands and Forests may enter into administrative arrangements with the owner or lessee of unfenced privately owned lands adjoining any Crown range for the depasturing in common of those lands and the Crown range, and for the granting to him of a free or partially free grazing permit for the depasturing of his animals on the Crown range, subject to the special condition that during the term of the permit the animals of other persons lawfully depastured on the Crown range shall be allowed to run in common over the adjoining unfenced privately owned lands aforesaid.

#### OFFENCES AND PENALTIES.

*Regulation No. 7.*—(1) No person shall:—

- (a) Drive or depasture any animal or allow any animal owned or controlled by him to be upon any Crown range, unless that animal is covered by a permit issued therefor under the provisions of these regulations;
- (b) Depasture any animal or allow any animal owned or controlled by him to be upon any Crown range which has been closed under the provisions of these regulations;
- (c) Neglect or fail to comply with any term or condition of a grazing permit held by him;
- (d) Refuse or neglect to remove any animal owned or controlled by him from a Crown range at the termination of the grazing period, or upon the order of an officer of the Forest Service to do so on account of failure to comply with any of these regulations or any term or condition of a grazing permit;
- (e) Refuse or neglect to observe or carry out any prohibition, requirement, or direction made or given pursuant to these regulations;
- (f) Cut wild or natural hay on the meadows of any Crown range without having received a permit therefor, as provided under Regulation No. 2 (h);
- (g) Neglect or fail to comply with any term or condition of a hay-cutting permit held by him;
- (h) Sell, barter, or deal in hay cut or produced from Crown range.

(2) Every person who contravenes any provision of these regulations shall be guilty of an offence, and liable, on summary conviction, to a penalty not exceeding fifty dollars.

(3) Each day's continuance of any contravention of these regulations shall constitute a new and distinct offence.
